Dear Community Member:

Caribou Trail Junior Rodeo Association is starting its 2019 Junior Rodeo season. Local kids from 3–18 (as of 01/01/19) years old will compete during the seven-month rodeo season throughout Central Washington. Points earned at these rodeos accumulate toward year end awards, with the highest point earners for each age group being recognized as the CTJRA All-Around Cowboy or Cowgirl. This distinction earns them a saddle to commemorate their successful year. In the past, we have also been able to recognize a Reserve All-Around Champion in each age group and quality prizes down to 6<sup>th</sup> place for each event. We want to continue awarding our CTJRA members for their hard work and dedication to the sport of rodeo.

The Board of Directors for the CTJRA are asking, on behalf of our kids, for a tax-deductible donation that will go toward the year-end awards. Sponsors will receive acknowledgement on our website and Facebook page at Caribou Trail Junior Rodeo Association, as well as our Points Only Rodeo June 9, 2019. We appreciate any amount your business can donate. (Please see attached sponsor sheet for options.)

We appreciate your consideration and time. Please let us know if you have any further questions regarding donating to CTJRA.

Ronee Buchert,  
CTJRA President
